*ClearSky Climate Solutions was Climate Neutral in 2011!*

ClearSky Climate Solutions has retired offsets from its Pine Hurst Acres Swine Methane Capture Project in order to balance out its operational emissions from 2011.

Below is a summary of the work ClearSky has supported:

Project Name and Description	Number of Offsets Purchased	Offset Serial Numbers
<b>Pine Hurst Acres Swine Methane Capture Project</b>	<b>41 metric tons CO<sub>2</sub>e</b>	PHA-USA-2007-00294 to PHA-USA-2007-00334

Total amount of CO<sub>2</sub> we've removed from the atmosphere: **41** metric tons!
